### Tusse signed the Lounge Area of the "Concours Mondial de Bruxelles"

TUSSE  
EXCEPTIONAL ART & DESIGN

Generally considered as the cradle of Portugal and the heart of Vinhos Verdes, the 2012 European Capital of Culture Guimarães hosted the 19th **Concours Mondial de Bruxelles**.

**Tusse** designed and signed the lounge area of the event. An area of 75 square meters where Gorgeous, Rainbow and Blues pieces will be exposed. **This Portuguese brand is world-class reference in art & design.**

At the Lounge Area, winemakers, professionals, journalists and guests could relax surrounded by contemporary beauty, an exceptional experience of art and design, inspired by Portuguese traditions and handcrafts. The wisdom and creativity of the craftsman implemented by modern design and finishes, offered a revisit to the past and a discovery of new forms of being, thinking and present art and design.

The **316 judges representing 48 nationalities** tasted **8,397 wines and spirits from fifty or so countries** over three mornings. Entries come primarily from France (2,541), Spain (1,549), Italy (993), Portugal (925), Chile (447), South Africa (248) and Switzerland (203).
